No. 3734. Office of Assistant Engineer
Board of Delaware River
Philadelphia, 1872.

Sir,

Under the William R.C.
Contract for Grain Elevator
at Philadelphia.

Under the Contract for Grain Elevator at Philadelphia, I have the honor to submit for your consideration the accompanying sketch of the proposed location of the Elevator, and to request your approval of the same.

The Elevator is to be of the capacity of 1,000,000 bushels, and is to be built on the Delaware River, at the foot of Washington Avenue, in the City of Philadelphia, and is to be connected with the Pennsylvania Railroad by a track to be laid on Washington Avenue.

The Elevator is to be of brick, with iron roof, and is to be fireproof throughout, and is to be provided with all the latest improvements for the rapid handling of grain.

Very respectfully,
Your obedient servant,
[illegible]
Assistant Engineer.
