Proceedings of the Madras Government, Public Works Department, 7th January 1871.

No. 87. Read the following Proceedings of the Board of Revenue, dated 6th December 1870, No. 6,969:—

Read the following letter from the Acting Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 11th November 1870, No. 492.

I HAVE the honour to bring to the notice of the Board that, so far back as the 19th October 1867, the Government sanctioned an estimate, amounting to Rupees 4,400, for carrying out certain repairs and improvements to the Hoozoor Cutcherry at this station; but though the estimate found place in the Budget lists, no funds have up to this time been allotted for the execution of the work.

Board's Proceedings, dated 2nd November 1867, No. 7,161.

2. As the building stands very much in need of the repairs and improvements estimated for, I trust that the Board will be pleased to move Government to allot the requisite funds for carrying out the work at an early date.

3. The accommodation now supplied in the building is of the most limited description, and the greatest difficulty is experienced in providing rooms in which the Assistants can hold office.

SUBMITTED for the orders of Government.

2. The Board hope that the required sum will be provided in the Budget for next year.

TRANSFERRED to the Department Public Works.

Secretary to Government.

No. 88. ORDER THEREON, 7th January 1871, No. 47.

CIVIL WORKS, No. 7.

THE Government regret that the very inadequate grant which will be available for expenditure on Civil Buildings during the ensuing official year will prevent their assigning any funds in that year for the proposed improvements to the Hoozoor Cutcherry at Chittoor.
