Proceedings of the Madras Government, Public Works Department, 9th January 1871.

No. 109. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Cannanore, 12th December 1870, No. 200 :—

I HAVE the honour to request that the transfer sanctioned in G. O., No. 2,728, of 14th November 1870, may be modified as follows, namely :—

From		*To*	
	RS.	Road No. II., Kodekul Ghaut Road to Buntwal...	RS. 197
Road No. XXV. from Mangalore to Agoomby Ghaut	357	Road No. XX., Mangalore to Calicut	160

2. I am sorry to say that this modification has become necessary from the inaccurate calculations made by the Range Officer, who appears to have omitted calling for and consulting the accounts of the Overseer in charge of the road. He reported to me, under date the 11th October, that Rupees 800 could be spared for transfer from the Mangalore and Agoomby road No. XXV. to the other roads mentioned above, and on my asking him whether, after the reduction of 6 per cent. ordered in G. O. No. 2,445, of 11th October, the amount, namely, Rupees 800, could still be transferred, he replied in the affirmative under date the 26th October; so relying on the correctness of his calculations I asked for the transfer sanctioned. The Range Officer's mistake was not discovered until the receipt of his Progress Report for October in November, when he was immediately addressed on the subject.

No. 110. ORDER THEREON, 9th January 1871, No. 55.

ACCOUNT, No. 13.

THE modified transfers are accordingly sanctioned.
