Proceedings of the Madras Government, Public Works Department,
10th January 1871.

No. 123. Read the following letter from R. E. NORFOR, Esq., Executive Engineer in charge of the 5th Division, to the Secretary to Government, Public Works Department, through the Controller of Public Works Accounts, dated Cuddalore, 12th December 1870, No. 195:—

WITH reference to the Order of Government, No. 2,818, of the 23rd November 1870, on the Endorsement of the Controller, Public Works Accounts, dated Madras, 14th November 1870, No. 1,716, I have the honour to request respectfully the re-consideration of Government to the question of casual leave to gazetted officers.

2. The Controller, in his endorsement above quoted, states that the grant of casual leave to officers holding gazetted appointments has been "distinctly prohibited," but the records of this office show no orders of Government to this effect, and from a reference to the orders quoted in the margin, it would appear that the Government had been pleased to remove any restrictions imposed in regard to the grant of casual leave to gazetted officers.

" " 1,220, of 13th May 1863.
" " 216, of 20th January 1864.

3. The question is one of importance, as, under the present ruling of Government, a Range Officer would render himself ineligible for privilege leave in case of absence from duty for a few days on account of illness or in cases of extreme urgency.

4. Under these circumstances, I have the honour to request the Government will be pleased to re-consider the Order of the 23rd November 1870, and remove the restriction therein conveyed.

NOTE.—No remarks by this office seem necessary, but attention is invited to paragraph 476, page 87, of the Uncovenanted Service Vade Mecum.
