*Proceedings of the Madras Government, Public Works Department,
5th April 1871.*

No. 70. Read the following Endorsement of the Acting Superintending Engineer, 8th Division, dated Madura, 30th March 1871, No. 3,311 :—

From Mr. D. McNAIR, Sub-Engineer, in charge of No. 1 Range, Tinnevely, to the Acting Superintending Engineer, 8th Division, dated Palamcottah, 21st March 1871, No. 523.

With reference to G. O., No. 85, dated 13th instant, and to your memoranda Nos. 3,124 and 3,232, dated 8th and 18th idem, I have the honour to report that there are several works in the range which, though completed upwards of a month ago, I am unable to inspect for the purpose of furnishing the required certificates for them, being detained here at the Sessions Court since the 13th instant.

2. I have already stated in my letter No. 508, dated 11th instant, that from the time I took charge of this range, in September last, I have been greatly hindered—first, by Captain Oakes' inquiry, and afterwards by the Magisterial inquiries in January and February—in the discharge of my duties, and attending to the works in the range, and as the present Sessions are likely to be prolonged for more than a month, I beg to state that the submission of completion certificates for the works already completed, and for those which will be completed during this month, will be considerably delayed in consequence.

3. I therefore solicit that you will be so good as to inform the Government of my present position, and to request that I may be allowed to furnish the required completion certificates as early as practicable after the close of the present Sessions, as without this indulgence I am afraid I shall incur the displeasure of my superiors and of the Government.

SUBMITTED for the favourable consideration of Government, with reference to their Proceedings No. 85, dated 13th March 1871.

(Signed) R. A. ROBERTS, Lieut.-Colonel, R.E.,
Acting Superintending Engineer, 8th Division.

UNDER the circumstances brought to notice the Government approve of Mr. McNair being permitted, as a special case, to furnish the completion certificates referred to by him with as little delay as possible after he has been relieved from attendance at the Sessions Court.
