*Proceedings of the Madras Government, Public Works Department,
14th April 1871.*

No. 135. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Establishment—General,) to the Secretary to the Government of Madras in the Public Works Department, dated Fort William, 16th March 1871, No. 378-E. G. :—

REFERRING to entries 50 and 51 (pages 5 and 6) in the Proceedings (Establishment) of the Government of Madras for the month of November 1870, on the subject of the salaries to be passed to Colonel Wilkieson, R. E., Acting Superintending Engineer, 4th Division, and Major Hankin, Examiner of Railway Accounts, Madras, under the revised scale of salaries, I am directed to observe that the ruling of the Madras Government in the case of the former officer is not correct.

2. Colonel Wilkieson having vacated his substantive appointment under the Government of India, and been appointed in Madras a 1st-grade Executive Engineer, acting as a Superintending Engineer, can, under the new rates, (assuming that he has elected them), only draw—

Pay of Executive Engineer, 1st grade	RS. 950
Acting allowances	150

Total... 1,100 the pay

of the lowest grade of Superintending Engineer, and under the old rules—

Maximum pay of Executive Engineer, 1st grade	1,250
Acting allowances making up to the pay of lowest grade of Superintending Engineer, first class	300

Total... 1,550

3. A separate communication will be made on the subject of Major Hankin's pay.

No. 136. ORDER THEREON, 14th April 1871, No. 1,033.

ESTABLISHMENT, No. 13.

COMMUNICATED to Colonel Wilkieson and to the Controller of Public Works Accounts.

2. There appears to His Excellency the Governor in Council some mistake in the amount which the Government of India state Colonel Wilkieson will be entitled to under the old rules, inasmuch as an Executive Engineer officiating as Superintending Engineer cannot draw more than the pay of the lowest grade of that class, namely, Rupees 1,350, and Colonel Wilkieson could therefore only receive an acting allowance of Rupees 100, instead of Rupees 300 as stated by the Government of India. The Controller will, if necessary, make a reference on this point to the Accountant-General of the Public Works Department.
