Sir

I have the honor to state in continuation of my Report dated the 11th March that I again visited Madras on the 11th March.

The work of the exterior of the wing of the vault is now finished & the scaffolding in course of removal.

The works at present in progress are the Municipal Offices and the South-west Court House.

The Overseer in Charge of the work submits his accounts through me & they are forwarded by me to the Executive Engineer at Madras.

This course gives rise to much delay and confusion. It would seem to me desirable to take this Overseer on the strength of the Departmental Establishment at Madras.

and to place him under the immediate
orders of the Officer in Charge of the Station
who can not only receive his accounts & supply
him with funds but exercise a perfect control
over the expenditure.

I would beg respectfully to
suggest that the Superintending Engineer be
addressed on this point.

I have the honor to be
