295-26

Dated 19 1 1927.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 14th January 1871.

No. 227. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 19th December 1870, No. 134 :—

REFERRING to G. O., No. 1,926, 12th August, I have the honour to solicit an addition to my funds in the Kistna District under the head of Repairs "Agricultural" of Rupees 10,000. If the Government can allot it speedily, I have great hope of making good use of it within the current year in repairing the numerous works which have been damaged by unusually heavy rain and flood in the delta, on the early restoration of which the irrigation in June may possibly depend.

2. The cost of repairing the Pennair anicut at Nellore is estimated at Rupees 60,000. I have yet to learn how much of this can be spent in the current year, and how much can be provided by reducing allotments of other Ranges, regarding which I will make immediate enquiry.

No. 228. ORDER THEREON, 14th January 1871, No. 110.

IRRIGATION, No. 9.

THE Government regret that they are not yet in a position to supplement the Agricultural Repair grant of the Kistna District, but His Excellency the Governor in Council will not lose sight of the demand now made on savings being reported elsewhere before the close of the year.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To Colonel A. Orr R.E.
Secretary to Government
Public Works Department.

Sir,

Referring to G.O. No. 1926. 12th August
I have the honor to solicit an addition to my
funds in the Kistna District under the head
of Repairs "Agricultural" of Rupees 10000.
If the Government can allot it speedily
I have great hope of making good use of it
within the current year, in repairing the
numerous works which have been damaged
by unusually heavy rains and flood in the
Delta, on the early restoration of which
the irrigation in June, may possibly depend.

2 The cost of repairing the Pannair
Anicut at Nellore is estimated at Rs 60,000.
I have yet to learn how much of this can
be spent in the current year and how much
can be provided by reducing allotments
of other ranges- regarding which

I

I will make immediate enquiry -
