Proceedings of the Madras Government, Public Works Department,
16th January 1871.

No. 231. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account—Buildings and Roads,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 10th December 1870, No. 427-A.B. :—

I AM directed to acknowledge receipt of your letter, No. 2,398, dated 5th October 1870, and, in reply, to observe that the source from which it is proposed to make the appropriation of Rupees 6,000 for the construction of a church at Cuddapah, is the sum reserved for expenditure in England on account of stores for the Public Works Department. This sum, however, I am to remind you is not available for outlay in India at all, having been deducted* from the Madras Public Works grant for 1870-71, and the Governor-General in Council has therefore no alternative but to decline sanction to the re-appropriation applied for.
