No. 418. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 14th April 1871, No. 100 :—

In their Proceedings of the 12th April 1871, No. 1,010, the Government accorded their sanction to the immediate execution of certain alterations to the Mint buildings for the reception of the Medical Stores, and to the erection of the furnaces required by the Assay Department at the Medical College, in anticipation of an allotment of funds from the Reserve, on the issue of the Provincial Budget, and of the submission of regular estimates by the Superintending Engineer of the 4th Division.

2. I have the honour respectfully to point out that these orders are opposed to the rule which prescribes that no expenditure of Public Works funds shall be permitted, unless after regular sanction of the estimate by proper authority.

3. There is nothing on the records of this office to show whether the restrictions operating in the case of Imperial works, in respect of estimate and allotment, apply to works proposed to be undertaken from Provincial Funds.
