Letter from the Director-General of the Post Office of India, No. 4,860, dated 24th February 1871.

RESOLUTION.—From Mr. Monteath's letter last read, it appears that Post Masters and Deputy Post Masters have always been allowed free quarters in the Post Office building, the reason being that the work of a Post Office has to be performed from early morning to late at night, and often during the night, and that such work cannot be carried on unless the Post Master resides in the Post Office, or in its immediate neighbourhood. Under these circumstances the Governor-General in Council is pleased to sanction the grant of free quarters to Post Masters and Deputy Post Masters.

ORDER.—Ordered that a copy of the foregoing Resolution be sent to the Public Works Department, the Director-General of the Post Office of India, and the Comptroller-General for information.
