*Proceedings of the Madras Government, Public Works Department,
26th April 1871.*

No. 424. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 15th April 1871, No. 105 :—

From the Special Executive Engineer, Wynaad, to the Controller of Public Works Accounts, dated Luckadic, 11th April 1871, No. 170.

I AM sorry to send the Cash estimate for May on so soiled a printed form, but almost every paper and book kept in my temporary office is getting destroyed, and I find it quite impossible to preserve anything. I wish you would kindly endeavour to obtain me permission to complete the permanent office, which only now requires Rupees 490.

SUBMITTED for the consideration of Government.

2. In paragraph 7 of my Report, No. 1,610, of the 31st October 1870, I brought to notice the urgent necessity which existed for providing better office accommodation for the Vythery Range, and Government were pleased, in paragraph 2 of their Proceedings of the 14th November 1870, No. 80, to call for a plan and estimate for a new building.

3. The required estimate* having been furnished by Major Kennedy, the Government, in their orders of the

* Rupees 1,200, sanctioned in G. O., No. 2,915, dated 2nd December 1870.

25th February 1871, No. 556, allotted

a sum of Rupees 650 for expenditure on

the building during the year 1870-71. Only Rupees 490 being now required for the completion of the work, I beg strongly to recommend, in order to prevent the destruction of valuable public property, that that amount be at once allotted for expenditure in the current year, or, if an allotment be considered unnecessary under paragraph 4 of the Orders of the Government of India, recorded in the Proceedings of this Government of the 17th September 1870, No. 2,245, that the Special Executive Engineer be authorized to prosecute the work to completion, without a specific assignment of funds.

No. 425. ORDER THEREON, 26th April 1871, No. 1,171.

ACCOUNT, No. 38.

As it appears that only Rupees 490 are required to complete the Range Office at Vythery and that the want of

the accommodation is much felt, His Excellency the Governor in Council authorizes Major Kennedy to complete the building under paragraph 90, Section II. of the Manual of Public Works Accounts and the ruling of the Government of India communicated in G. O., No. 2,245, dated 17th September 1870.
