No. 1. Read the following Endorsement of the Superintending Engineer,
4th Division, dated Madras, 18th April 1871, No. 167 —
From W. A. GOODCHAP, Esq, Executive Engineer, No. 1 Range, Chingleput
District, to the Superintending Engineer, 4th Division, dated Seroolur,
12th April 1871, No. 15.

I HAVE the honour to request your favourable consideration and support to
my application for an allowance, as rent, for the accommodation of the office
Establishment, records, and plant of this range.

2. In the absence of any public building available for occupation as a Range
Office, I constructed a small detached bungalow in the west end corner of the
ground attached to my private residence at Seroolur. The building consists of
front and back verandahs, a hall and two rooms, and its construction is of a perma-
nent character.

3. As the bungalow is conveniently situated, with reference to the Railway
Workshops at Perambore, it can at all times be well and easily rented; but as
without it I and my office establishment will be put to very great inconvenience,
I trust that you will have the goodness to recommend to Government that a small
allowance be passed to me in the shape of office rent, as will cover charges for
repairs, taxes, and other incidental expenses, all which I am at present compelled
to bear at my own cost.

SUBMITTED to Government with a recommendation that a sum of Rupees 20
per mensem may be passed as office rent to Mr. Goodchap till a permanent Range
Office may be provided by Government.
