*Proceedings of the Madras Government, Public Works Department,
1st May 1871.*

No. 18. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Madras, 13th April 1871, No. 2.—

With reference to Government Order No. 954, of the 31st ultimo, I have the honour to request that you will be good enough to inform me whether I am authorized to pass the payment to the Agent, Madras Irrigation and Canal Company, from the Government Treasury of the sum of Rupees 29,105-3-5 referred to in paragraph 3 of my letter No. 132, of the 8th ultimo, being expenses paid from Capital Funds on Revenue Account to 30th June 1870.

No. 19. ORDER THEREON, 1st May 1871, No. 1,210.

IRRIGATION, No. 2.

In Proceedings under date the 31st March 1871, No. 954, the Government, on a reconsideration of the original and supplemental contracts of the Madras Irrigation and Canal Company, were of opinion that the terms of those agreements permitted the surplus revenue of one half-year to be employed in defraying the maintenance charges of subsequent half-years, and they accordingly ruled that the whole of the revenue realized by the Company to date might properly be used to cover all ordinary maintenance expenses hitherto incurred, the balance at credit on the 30th June last being retained as a reserve for the like purposes.

2. The Consulting Engineer now enquires whether, with reference to those orders, he is at liberty to pass for payment from the Government Treasury the sum of Rupees 29,105-3-5 applied for by the Agent, being the amount advanced from construction funds up to the 30th June last on account of services chargeable to Revenue.

3. The Government authorize the requisition to be passed, and the Accountant-General will be informed accordingly.
