*Proceedings of the Madras Government, Public Works Department,
2nd May 1871.*

No. 30. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 19th April 1871, No 155 —
From Lieutenant M. H. G. GOLDIE, R E, to the Controller of Public Works Accounts, dated Tanna, Bombay, 14th April 1871.

I HAVE the honour to submit to you the following claims upon the Government of Madras for expenses incurred by me in travelling from Bangalore to Bellary on receipt of orders to take up my first appointment as Assistant Engineer, 2nd Grade, in the Department of Public Works, and also for one day's pay in the month of March, that upon which I arrived at Bellary, the 31st day of the month. The amount of the former claim is Rupees 81-14-3 calculated as follows — Railway distance from Bangalore to Bellary 436½ miles, at 3 Annas per mile, is equal to Rupees 81-14-3.

2. The amount of the latter claim appears to me to be Rupees 13-3-8, calculated at ¼ of 410 Rupees, the consolidated monthly salary of a 2nd Grade Assistant Engineer. I have the honour to request that you will as soon as possible communicate with me, my expenses having fallen somewhat heavily upon me

SUBMITTED for the consideration of Government

2 In his letter to Government, dated Bangalore the 23rd March 1871, Lieutenant Goldie requested permission "to proceed at once for service in Bombay," and Government, in their Proceedings of the 29th idem, intimated that they had no objection to Lieutenant Goldie's transfer to the Bombay Presidency on the conditions stated in the letter from the Secretary to the Government of Bombay, No 511, of the 21st ultimo.

3 Notwithstanding the above correspondence, Lieutenant Goldie appears to have left Bangalore for Bellary, to join his appointment in the latter district, as per *Gazette* of the 11th March 1871, page 389. From the "return of arrivals, departures," etc., received from the Superintending Engineer of the 3rd Division for the week ended 1st April 1871, it appears that Lieutenant Goldie arrived at Bellary on the 31st March, and left the following day for the Bombay Presidency.

4. Lieutenant Goldie now claims travelling allowance for the journey from Bangalore to Bellary, and pay for the last day of March, but as the orders of Government of the 29th March, above quoted, appear to me virtually to cancel that Officer's appointment to the Bellary District, I request instructions as to the course which should be pursued by this office in dealing with Lieutenant Goldie's claim to travelling allowance

5. As regards pay, the Superintending Engineer having reported that Lieutenant Goldie arrived at Bellary in the *afternoon* of the 31st March, he is not, under the rules, entitled to salary for that day.

Controller of Public Works Accounts.

Sir,

I have the honour to submit to you the following claims upon the Government of Madras, for expenses incurred by me in travelling from Bangalore to Bellary on receipt of orders to take up my first appointment as Assistant Engineer and ride in the Department of Public Works and also for one day's pay in the month of March, that upon which I arrived at Bellary, the 31st day of the month.
