*Proceedings of the Madras Government, Public Works Department,
4th May 1871.*

No. 78. Read the following letter from Lieutenant-Colonel W. FAREWELL, Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 24th April 1871, No. 10 —

THE Controller having refused to pass Rupees 57, being actual boat-hire paid by me on the 2nd of March, and further reduced full travelling allowance claimed from 12th to 14th, 17th and 19th, 21st to 26th and 31st of March, by Rupees 36, during which period he has only passed half travelling allowance to me though I maintained my full marching equipment of horses, tents, and carriage for tents at my head quarters, I have the honour to request that Government may be moved to sanction this amount, namely, Rupees 93, be passed to me under the travelling allowance rules. I take this opportunity also of noting that having so long a tour as that pointed out in G. O., dated 27th January 1871, to perform, I was compelled to march with a much larger amount of baggage than usual, in addition to having to carry with me my circuit office records, and consequently have been put to extra expense on this account.

2. In February I drew in my travelling allowance bill the actual amount paid for carriage of extra baggage; as this was disallowed by the Controller no subsequent charge was entered in the travelling allowance bill, I am unable now to name the actual items and dates of payments for carriage for extra baggage, but I believe Rupees 100 will just cover the amount, which I respectfully solicit Government will be so good as to direct to be passed to me in the shape of a "Contingent Bill" of extra charges for carriage of office and baggage while on special duty.

No. 79. ORDER THEREON, 4th May 1871, No. 1,239.

ESTABLISHMENT, No. 7.

As in accompanying Mr Robertson during his recent inspections, Lieutenant-Colonel Farewell must necessarily have incurred expenses which the ordinary rate of travelling allowance admissible under the rules cannot cover, His Excellency the Governor in Council is pleased, as a special case, to authorize the Controller of Public Works Accounts to pass the claims submitted in this letter.
