*Proceedings of the Madras Government, Public Works Department,
6th May 1871.*

No. 113. Read the following Proceedings of the Board of Revenue, dated 18th April 1871, No. 1,619.—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 25th March 1871, No. 88.

I HAVE the honour to enclose, for the Board's approval and sanction, an estimate for replacing the batten doors and windows of the Assistant Collector's Cutcherry here with venetians.

2. The necessity for this alteration is obvious. If the doors and windows are open, the heat and glare are excessive; if shut the office is left in darkness. The building is a very good one and worth the improvement.
