No. 115. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 26th April 1871, No. 15 —

With reference to G. O., No. 183, of 30th March 1871, I have the honour to inform you that no expenditure was incurred on the road from Ootacamund to Mailkoondah during 1870-71 for want of funds, and though I applied for funds for this road and for its second section from Yeddagadoo to Koondah plateau (the estimate for which is being framed) in my Budget list for 1871-72, no money has been allotted for these works in the printed Budget received with G. O., No. 3,044, of 15th December. Unless, therefore, an allotment be provided in the Provincial Budget, or from the Reserve Fund, all progress on the Koondah road must remain suspended. The estimate of Rupees 35,000 for the first section of the Ootacamund and Mailkoondah road has been worked

• Including Rupees 500 paid for compensation of land in 1870-71. out to the extent of Rupees 22,228,* leaving a balance of Rupees 12,772

to be allotted to complete this section, which since it ends at Lake St Lawrence bund, now under construction by Mr. McIvor, it is very desirable should be pushed on with in order that the conveyance of materials, etc., etc., to the bund site may be facilitated.
