*Proceedings of the Madras Government, Public Works Department,
11th May 1871.*

No. 183. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 24th April 1871, No. 206 —

I HAVE the honour to bring to your notice that the Controller of Public Works Accounts has returned unaudited the enclosed two bills for the salary of temporary establishment in arrears for three months, namely, from December 1870 to February 1871, stating* that he has no power to pass the bills at this date (5th April 1871) against the current year's Budget without the special sanction of Government.

2. The salaries of all establishments (whether temporary or permanent) for March, as well as the salaries in arrears for any previous months, have, as a rule, to be audited in April; but I am not aware of the circumstances under which the Controller has refused to pass the bills under notice, and why no objection has been raised by that officer to pass bills for similar establishment for March 1871.

3. I now request that Government will be pleased to authorize the Controller of Public Works Accounts to pass the bills against the grant for 1870-71.

No. 184. ORDER THEREON, 11th May 1871, No. 1,291.

ESTABLISHMENT, No. 21.

THE Acting Superintending Engineer of the 1st Division has omitted to explain the circumstances under which the salary bills for December 1870 to February 1871 of the temporary establishment referred to by him were not submitted to the Controller for audit at the proper time.

2. The latter officer was correct in objecting to pass those bills against the grant for the current year without special sanction, but which is not required in the case of bills for March, the salary for which month not being due till April properly forms a charge against the Budget for 1871-72.

3. With these remarks His Excellency the Governor in Council authorizes the Controller to pass the bills submitted with this letter against the current year's Budget grant for temporary establishments.
