*Proceedings of the Madras Government, Public Works Department,
11th May 1871.*

No 192. Read the following letter from the Commissioner of the Neilgherries, to the Secretary to Government, Public Works Department, dated Ootacamund, 22nd April 1871, No. 31.—

GOVERNMENT in their Order No. 2,162, 8th September 1870, sanctioned Rupees 3,200 for re-roofing my office, and stated that endeavours would be made to provide funds in the Budget for 1871-72.

2. I trust I may be excused in bringing the subject again to your notice; I do so because in two months' time we may expect the monsoon, and it is really of some importance to have the roof repaired before the rains come down.

3. Any one seeing the state of the two rooms where the vernacular records are, where my office establishment sit, and where the stamp papers are kept, when there is a heavy fall of rain, would understand the emergency. The water actually streams down in twenty or thirty places. All the papers have to be cleared out and put in heaps wherever a dry corner can be found. This of course puts an end to all business for the time being. So also with the room where I sit, my office table has to be dragged here and there out of the way of the drip.

No. 193. ORDER THEREON, 11th May 1871, No. 1,295.

CIVIL WORKS, No. 21.

As the re-roofing of the office of the Commissioner of the Neilgherry Hills at Ootacamund, for which any estimate of Rupees 3,200 was sanctioned in G O, No. 2,162, dated 8th September 1870, seems urgently necessary, His Excellency the Governor in Council resolves to allot the requisite funds from the Reserve under Civil Buildings in the outgoing Provincial Budget.
