Read the following letters:—

No. 194. From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Negapatam, 24th March 1871, No. 268.

I HAVE the honour to submit an estimate of Rupees 3,600 for repairing Stonehouse at Ootacamund, and request that, if approved, funds for its execution may be specially provided as early as possible to enable the work being carried out before the Government moves up to the hills. I submit an extract of the Range Officer's letter explaining the necessity of the work.

No. 195. From the same Officer, dated Camp at Negapatam, 25th March 1871, No. 271.

I HAVE the honour to submit, for the sanction of Government, a plan and estimate for a privy to be erected for the use of the Civil and Sudder Ameen's Court Establishments at Mangalore, amounting to Rupees 465, prepared at the request of the Civil Judge and duly countersigned by that officer. Mangalore being a municipal station this work will have to be undertaken at once; I would therefore recommend that if the estimate meets with the approval of Government, funds may at the same time be provided from the Reserve of 1871-72.
