*Proceedings of the Madras Government, Public Works Department,
13th May 1871.*

No. 235. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 28th April 1871, No. 336 —

By G. O., No. 60, dated 10th January 1871, the amount estimated for payment of compensation for lands taken up and still required for the Madras Water Works project in the Chingleput District is Rupees 1,45,916-15-6

	RS	A	P
By the Collector of Chingleput	19,032	10	6
Executive Engineer	21,038	12	0
Total	40,071	6	6

2. Against this estimate Rupees 40,071-6-6 were disbursed by the Collector of Chingleput District and the Executive Engineer in charge of the Madras Water Works up to the 31st December 1870, and a further sum of Rupees 20,000 was advanced to the same Collector in February last, and debited to the grant Rupees 20,200, sanctioned in G. O., No. 829, dated 20th March 1871. It is believed that this sum must have been disbursed by him before the close of the last official year, thus making up an aggregate of payments amounting to Rupees 60,071-6-6. Deducting this sum from the estimate amount, Rupees 1,45,916-15-6, there will be a balance of Rupees 85,845-9-0 still to be expended

3. The present Acting Collector, Mr. Barlow, has in the enclosed original letter applied to me for an advance of Rupees 20,000, but I am unable to authorize the payment of this sum, as there is no allotment from Ordinary for the purpose. I beg, therefore, to request that the early sanction of Government may be obtained for the payment of the above sum as requested by Mr. Barlow.

From R. W. BARLOW, Esq., Acting Collector of Chingleput, to the Superintending Engineer, 4th Division, dated Sydapet, 21st April 1871, No. 164

I HAVE the honour to request that you will be good enough to place me in funds to meet some of the pressing claims to compensation for lands taken up in connection with the Madras Water Works project

2 The claims in question were disposed of by Mr. Blair previous to his delivering over charge of the office to me. He was anxious to disburse the money to the parties concerned before the close of the official year, but for want of funds he was unable to do so. As the men whose claims have already been settled are constantly applying to me for the money, I request you will send me a cheque for at least 20,000 Rupees now, that being the minimum amount I require to satisfy all the claims already settled by Mr. Blair

ORDER THEREON, 13th May 1871, No. 1,317.

IRRIGATION, No 10

His Excellency the Governor in Council resolves to sanction an advance of Rupees 10,000 from the Reserve under Agricultural to enable the Collector of Chingleput to adjust claims to compensation for land taken up for the Madras Water Supply project in that district

Proceedings of the Madras Government Public Works Department,
13th May 1871.

2. The question of providing the additional sum of 10,000 Rupees applied for will be taken into consideration later in the year.

By Collector of Chingleput.

To, Colonel G V Wilkieson R E^{ce},
Superintending Engineer, 4th Division, 1871.

Sir, I have the honor to request that you will be good enough to place me in funds to meet some of the pressing claims to compensation for lands taken up in connection with the Madras Water Works project.

2 The claims in question were disposed of by Mr Blair previously to

to his delinquent charge of the
Office to me. He was anxious to
disburse the money to the parties
concerned before the close of the
official year, but for want of funds,
he was unable to do so. As the
men, whose claims have already
been settled, are constantly apply-
ing to me for the money, I
request you will send me a
cheque for at least 20,000 Rs. now,
that being the minimum amount
I require to satisfy all the claims
already settled by Mr. Blair.

I have the honor to be,
Sir,
Your most obedient servant,
