*Proceedings of the Madras Government, Public Works Department,
15th May 1871.*

No. 256. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 24th April 1871, No. 204 —

In forwarding herewith copy of a letter received from Lieutenant Dorward, Assistant Engineer in charge of No 2 Range, Vizagapatam, bringing to notice the additional work that had to be imposed on Local Fund Overseer D. Ramanah during the absence on privilege leave of Talook Overseer Soobiah, and the heavy expenses this subordinate had to incur during that time, I have the honour to request that the sanction of Government may be obtained to the Controller of Public Works Accounts passing to Local Fund Overseer Ramanah the allowance of an Imperial Fund Overseer.

2. Whilst on this subject I beg to request that I may be authorized to pass to Local Fund Overseers acting for Imperial Fund or Talook Overseers, such allowance as the latter are entitled to, as no doubt the Government will agree with me in opinion that the paltry sum allowed these subordinates for travelling purposes is far too little to enable them to satisfactorily and expeditiously carry out the duties entrusted to them.

3. Another reason for my asking Government for this authority is that it frequently happens that a Local Fund Overseer has to take charge of the duties of a Talook Overseer, and as frequently I have to obtain permission for the Controller admitting the claim to additional allowance which, under the circumstances stated by me, can, I venture to observe, be left to the discretion of Superintending Engineers

No. 257. ORDER THEREON, 15th May 1871, No. 1,328.

ESTABLISHMENT, No. 28.

UNDER the circumstances brought to notice the Government authorize the Controller of Public Works Accounts to pass to Local Fund Overseer Ramanah the travelling allowance of an Overseer on the Imperial Establishment during the time that he may be employed on his present duties, care being taken to debit Imperial Funds with only so much of that allowance as may be in excess of the amount chargeable to Local Funds.

2. As the general authority sought in paragraphs 2 and 3, if conceded might lead to complications, His Excellency the Governor in Council is not prepared to entertain Major-Fischer's recommendation.

Sir

I have the honor to bring to your notice that, Local fund Oversee D. P. M. has acted for oversee D. P. M. Subbiah during his absence on private leave. As Subbiah had on his return to take over from Mr Overseer Corneal (who had been appointed to the Temporary charge of the Vengalim Range), the Local fund Overseer continues in charge of Subbiah's own circle of Superintendence. He has thus acted for an Imperial Fund oversee for more than one month (from the 20th February until now) and, as

his travelling expenses are necessarily
much heavier than if he had remained
in his own charge only. I have to request
that he may be allowed to draw the
travelling allowance of an Imperial Fund
overseer, Rs 30 per mensem, as long as he
continues in charge of Subbiah's works.
The travelling allowance of a Local fund
overseer is only Rs 15 per mensem.

I have etc. etc.
