Government Workshop Office
(D. A. S. Waram)
25th March 1871

From The Officer in Charge
Government Workshop
To The Sub Engineer
(D. A. S. Waram)
1st Division

Sir, I have the honor to forward
herewith a Plan and Estimate for an
extension of the iron store shed in the
Workshop Yard and to request permission
to construct it as early as possible.
We have received large
quantities of iron sheets and bars lately
from England, which ought to be protected
from the weather and the present shed is not
sufficiently large to accommodate it. I have
allowed in the estimate for using up a good
deal of the outelabs of timber which will
enable us to carry out the work cheaply, and
a roofing of corrugated iron will be sufficient
to give the shelter required.

I have very
Yours faithfully
J. O. Hasted Captain
The Sub Engineer Workshop
