*Proceedings of the Madras Government, Public Works Department,
17th May 1871.*

No. 332. Read the following Endorsement of the Revenue Department:—

Proceedings of the Board of Revenue, dated 5th April 1871, No. 1,505.

Read the following Endorsement of the Superintending Engineer, 4th Division,
dated Madras, 24th March 1871, No. 5,207.

From the Executive Engineer, Presidency, to the Superintending Engineer, 4th
Division, dated Fort Saint George, 22nd March 1871, No. 2,383.

With reference to Proceedings of Government, No. 567, dated 27th February
1871, I have the honour to forward the
plan* of the proposed improvements to
the Chepauk compound, together with
an estimate, amounting to Rupees 4,200,
with abstract and specification for laying
down the new roads.

- 1 Plan.
- 1 Estimate.
- 2 Abstracts.
- 1 Specification.

* To be returned.

2. I have not estimated for the other improvements, as they are being carried
out by Mr. Mackintosh under the control of the Revenue Board, from whom funds
for the road work will be drawn as required in accordance with the Proceedings
above quoted.

Copy forwarded to the Board of Revenue, with reference to Proceedings of
Government, Public Works Department, No. 567, dated 27th February 1871.

(Signed) H. T. ROGERS, Captain, R.E.,
For Superintending Engineer, 4th Division.

—
The estimate for road-making in the Chepauk compound will be submitted to
Government.

2. The Board understand from Gunner Mackintosh that a detailed estimate
of planting expenses has been drawn up by him and an Assistant Engineer, but
they are not aware whether such an estimate has been submitted to Government
or approved.

3. Numerous references are made to the Board as to the cost at which manure
should be obtained, the part of the work which should be proceeded with first, and
so forth. It is impossible that they can instruct or supervise unless they know
what is to be done and what expenditure is to be allowed.

*Proceedings of the Madras Government, Public Works Department,
17th May 1871.*

4. Mr. Mackintosh states that the plan forwarded by the Superintending Engineer, which seems to be somewhat vague and not exact in scale, has been modified in its central feature—an oval shrubbery.

TRANSFERRED to the Department Public Works.

(Signed) W. HUDLESTON,
Secretary to Government.

No. 333. ORDER THEREON, 17th May 1871, No. 1,371.

CIVIL WORKS, No. 33.

THE Government sanction the estimate of Rupees 4,200 for making roads and carrying out certain other improvements in the Chepauk compound.

2. It having been ascertained that Rupees 1,664 have been already spent upon the works, His Excellency the Governor in Council resolves to allot the balance of the estimate, namely, Rupees 2,536, from the Reserve under Communications in the outgoing Provincial Budget.
