*Proceedings of the Madras Government, Public Works Department,
17th May 1871.*

No. 340. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 12th May 1871, No. 213 :—

With reference to G. O., No. 1,882, dated 8th August 1870, I have the honour to bring to the notice of Government that the monthly Account Current for last January of the Carnatic Railway Company was not prepared for the verification of the Examiner of Railway Accounts until the 5th of May.

2. The explanation furnished by the Agent and Manager is herewith forwarded.

From the Agent and Manager of the Carnatic Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 10th May 1871, No. 61.

With reference to your office letter, No. 109, I have the honour to state that the whole of the returns required by Government respecting the accounts of this Company for the month of January with the exception of the Account Current, Form No. 13, were submitted in due time. Owing to some misapprehension on the part of the clerk by whom this return (Form 13) was prepared, it having been prepared in this form for the first time for the month of January, some delay unavoidably occurred in preparing it so as to pass the Examiner's verification, but the accounts for February including the return in question have all been submitted, and there is no probability that any delay will occur for the future.

2. With reference to paragraph 2, the date at which the returns are made shall in future be stated, instead of the last day of the month to which they relate.

No. 341. ORDER THEREON, 17th May 1871, No. 1,375.

RAILWAY, No. 45.

ORDERED that these papers be forwarded to the Government of India with reference to their Proceedings, No. 302-A. R., dated 20th July 1870.
