*Proceedings of the Madras Government, Public Works Department,
20th May 1871.*

No. 381. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Chief Engineer, and Secretary to Government, Public Works Department, dated Coimbatore, 5th May 1871, No. 27 :—

C. CHINNATHUMBY Pillay, a passed candidate as Assistant Engineer (*vide* copy of certificate enclosed) having applied to me for the post of Overseer, vacant in

one of the ranges in this division, was appointed by me on probation as Surveyor on the Neilgherries, sanctioned in G. O., No. 680, dated 8th March 1871, with the promise that if he gave the Range Officer satisfaction, at the expiration of six months he should be permanently appointed to the situation of Overseer in the Division. It now turns out, however, that his age is over 25 years, *i.e.*, he is now 26 years of age, I therefore have the honour to request I may be informed if under the operation of the Notification published at page 179 of the *Fort Saint George Gazette* of 31st January 1871, I am at liberty to appoint this man to the post of Overseer.

2. After passing his examination as an Assistant Engineer he remained unemployed, hoping for a higher post than that of Overseer in the Department, but having failed to secure such, he engaged himself as a Surveyor on the Mysore State Railways, where he was temporarily employed for eight months, and resigned his appointment with the hope that he might secure the permanent post of Overseer in this division. The young man has been unfortunate, and I think his case might be treated as a special one.

No. 382. ORDER THEREON, 20th May 1871, No. 1,397.

ESTABLISHMENT, No. 36.

UNDER the circumstances brought to notice in this letter His Excellency the Governor in Council is pleased to sanction the entertainment of C. Chinnathumby Pillay, who is 26 years of age, as an Overseer in the Department Public Works.
