To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

ESTABLISHMENT, No. 41.

SIR,—With reference to the letter from the Government of India under date the 16th March 1871, No. 378-E. G.,

regarding the salary to which Colonel Wilkieson is entitled as Officiating Superintending Engineer under the old and new rules, respectively, I am directed to observe that as, under the strict application of the former rules, that Officer could not draw more than the pay of the lowest grade of Superintending Engineer, namely, Rupees 1,350, the acting allowance to be passed to him in addition to the maximum pay of an Executive Engineer of the 1st grade (Rupees 1,250) appears to be Rupees 100 and not Rupees 300 as stated by the Government of India.

2. Colonel Wilkieson has held in this Presidency the position of a Superintending Engineer of the 1st class, 1st grade, since February 1863, and he has drawn a staff salary of Rupees 800 with Military allowances of Rupees 758-12-0 making in all Rupees 1,558-12-0. As he was graded as a Superintending Engineer of the 1st grade in the *Gazette of India* of the 18th October 1870, and as his services were applied for and replaced at the disposal of this Government to meet the exigencies of the public service, His Excellency the Governor in Council, having in view paragraph 16 of the Resolution of the Government of India, dated 23rd August 1865, Circular No. 80, which provides that officers then in receipt of higher allowances than those prescribed in that Resolution as the maximum of their grades should not suffer any loss, authorized the Controller to pass to Colonel Wilkieson the full salary (staff and military allowances) of the highest grade of the class of Superintending Engineer till an opportunity offered of permanently appointing Colonel Wilkieson to that grade.

3. In forwarding herewith a letter from Colonel Wilkieson on the subject of the recent orders of the Government of India regarding his salary, I am to request that, in consideration of the exceptional circumstances of his case, the Right Honourable the Governor-General in Council will be pleased to allow the salary hitherto drawn by Colonel Wilkieson to be continued to him as if he had been transferred to a full vacancy in the Madras Department as a Superintending Engineer of the 1st grade from Hyderabad, and that it had not been necessary to gazette him as an Executive Engineer and Officiating Superintending Engineer.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,

Secretary to Government.
