*Proceedings of the Madras Government, Public Works Department,
25th May 1871.*

No. 440. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 15th May 1871, No. 582 :—

THE further tenure of two months sanctioned in Government Order No. 734, dated 11th March 1871, to the temporary Draughtsman in No. 4 Range, Chingleput District, expired on the 31st March

last; but Mr. Leggatt, the Executive Engineer in charge of the range, has been compelled to continue the Draughtsman's services till the middle of this month for reasons explained in the enclosed original letter, and I myself personally saw the necessity of retaining the man to complete the project on which he is engaged. I have therefore the honour to request that you will be good enough to obtain the sanction of Government for disbursing to him Rupees 60 being his pay for April 1871 and part pay for the current month.

From W. B. LEGGATT, Esq., Executive Engineer, 4th or Chingleput Range, to the Superintending Engineer, 4th Division, dated Chingleput, 8th May 1871, No. 69.

IN forwarding the enclosed abstract for my temporary Draughtsman's pay for April last, I have the honour to request you will be so good as to countersign it and obtain the sanction of Government to an allotment of Rupees 60, partly to meet the amount (Rupees 40) of this bill, and Rupees 20 on account of his part pay for this month.

2. The project on which he is engaged is, as you saw the other day, nearly ready for submission.

3. I have the honour further to explain that I found it necessary to keep him on beyond the time for which he was engaged, as the project was not completed when his tenure of office had run out, though he worked steadily at it even out of office hours.

4. The plans and estimate will be submitted early next week.

No. 441. ORDER THEREON, 25th May 1871, No. 1,430.

ESTABLISHMENT, No. 42.

THE Superintending Engineer of the 4th Division will observe from G. O., No. 1,299, dated 12th May 1871, that the pay of the Draughtsman employed under Mr. Leggatt has been provided in the "Statement of Temporary Establishments for general purposes" for one month in 1871-72. Under the circumstances brought to notice in the papers above recorded, the Government approve of the salary of the Draughtsman for half of the current month being passed against the general grant for Temporary Establishments.
