VYNAAD, VYTHERY,
3rd May 1871.

(Signed) R. B. KENNEDY, Major,
Special Executive Engineer, Wynaad.

N. B.—As the amount of allotments to be expended during the current official year is not likely to be less than in the past one, and taking into consideration the exigencies of service in this climate, I have been unable to reduce the requirements for Petty Establishment.

SUBMITTED for the orders of Government, with reference to paragraph 2 of the letter from this office No. 191, dated 24th April 1871.

2. The estimated cost (Rupees 7,431) of the Imperial Petty Establishment applied for by Major Kennedy is Rupees

* Grant for 1870-71 Rupees 6,927. 504 in excess of the authorized grant*

for the past official year. The actual amount of salary bills passed by this office during that period for the Wynaad was Rupees 6,759, or Rupees 168 less than the grant, and as no special reason is given by Major Kennedy for the proposed excess, it rests with Government to determine whether any grant beyond that sanctioned for 1870-71 should be allowed.

3. It is not understood on what grounds Major Kennedy applies for a grant of Rupees 203 on account of Local Fund Petty Establishment in Wynaad, as no charge under that head was incurred during the past official year.

(Signed) S. BROCK,
Controller of Public Works Accounts.

No. 450.

ORDER THEREON, 25th May 1871, No. 1,435.

ESTABLISHMENT, No. 44.

As the grant for Petty Establishments to Wynaad during 1870-71 was Rupees 6,927, and the actual expenditure did not exceed Rupees 6,759, His Excellency the Governor in Council sees no reason for making a larger grant during 1871-72 than that for the previous year.

2. Referring to paragraph 3 of the Controller's endorsement, Major Kennedy will be directed to explain the necessity for the grant of Rupees 203 on account of Local Fund Petty Establishments.
