*Proceedings of the Madras Government, Public Works Department,
26th May 1871.*

No. 461. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 13th May 1871, No. 482.

THE Controller of Public Works Accounts having called upon me to state from what source the charge on account of the salary of the Hospital Assistant doing duty here can be met, I take this opportunity of addressing Government on the subject with reference to paragraph 2 of Order, No. 988, dated 4th April 1871.

2. From what has taken place in and about this station from the time I took charge of this division, in the shape of accidents to workmen both on the anicuts and workshop, and the prevalence of fever and cholera to an alarming extent, I am of opinion that the services of a Medical Subordinate must always be at the disposal of the Public Works Department here.

3. The Inspector-General of the Indian Medical Department has confirmed the division order directing Hospital Assistant C. Runganatham to proceed to Dowlaishweram and to do duty here. It now remains only to have the question, from what source the salary of this Hospital Assistant can be met, decided.

4. From my statement of Petty Establishment forwarded to the Controller with a view to the sanction of Government being obtained, it will be observed that the cost for maintaining this establishment during the current official year is less by Rupees 352 of that for the past year, I beg to propose that the Hospital Assistant's salary be met from this saving. If there is any objection to this, I beg that Government will be pleased to bring this Medical Subordinate on the same footing, in point of salary and allowances, as the one at Bezwarah, whose services, I am given to understand, are at the disposal of the Public Works Department of that station.

No. 462. ORDER THEREON, 26th May 1871, No. 1,441.

ESTABLISHMENT, No. 46.

THE Government sanction a grant of Rupees 4,874 for Petty Establishments to be employed in the 1st Division during 1871-72. That amount includes the salary of the Hospital Assistant who is doing duty at Dowlaishweram.
