*Proceedings of the Madras Government, Public Works Department,
26th May 1871.*

No. 471. Read the following letter from Lieutenant-Colonel J. G. PALMER, Executive Engineer in charge of the 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 8th May 1871, No. 204 :—

I HAVE the honour to report, for the information of Government, that the work "improving the supply of water to the cantonment of Bellary" has been ordered to be proceeded with in anticipation of funds being provided for the same, which is included in the statement of incomplete works submitted from this office on the 19th April 1871.

2. The work is being briskly carried out on contract to prevent any damage from expected rains. The balance of the estimate, for which an appropriation is required during the current year, is Rupees 1,856.

No. 472. ORDER THEREON, 26th May 1871, No. 1,447.

MILITARY WORKS, No. 11. •

THE irregularity of the proceeding of the officer in charge of the 3rd Division in authorizing the completion of the European Female Hospital at Bellary in anticipation of an allotment of funds has already been noticed in G. O., No. 1,381, dated 19th May 1871. The letter above recorded is another instance in which the irregularity has occurred; but, under the circumstances, the Government have no alternative but to direct that the sum of Rupees 1,856 required for "improving the supply of water to the cantonment of Bellary" be made available from the Reserve under Military. Lieutenant-Colonel

3rd April 1871, No. 978.
4th " " " 997.

Palmer's attention will be directed to the orders as per margin, and he will be called upon to explain why they have been disregarded.
