*Proceedings of the Madras Government, Public Works Department,  
26th May 1871.*

No. 477. Read the following docket from the Government of India, Public Works Department, (Buildings and Roads—Military,) dated Simla, 1st May 1871, Nos. 469-79-B. M:—

Copy of the Quartermaster-General's letter, and extract of paragraph 5 of the letter from the Principal Veterinary Surgeon therein referred to, is forwarded to the Local Governments and Administrations marginally noted for information and necessary attention.

2. Copy of the above, and of the papers alluded to, forwarded also to the Military Department and Adjutant General for information.

By order,  
(Signed) R. B. PEMBERTON, Captain, R.E.,  
*Asstt. Secy. to the Govt. of India.*

From the Quartermaster-General, to the Secretary to the Government of India, Public Works Department, dated Army head-quarters, Calcutta, the 7th April 1871, No. 1,341-C.

I AM instructed by the Right Honourable the Commander-in-Chief to submit, for the information of Government in the Public Works Department, and for such action as may be deemed necessary, the accompanying proposal\* offered by the Principal Veterinary Surgeon for rounding the sharp edges of stable pillars, against which horses are very liable to injure themselves.

\* Letter No. 344, dated 21st March 1871, from the Principal Veterinary Surgeon.

*Extract of a letter from the Principal Veterinary Surgeon, to the Quartermaster-General, dated the 21st March 1871, No. 344.*

PARAGRAPH 5.—A trifling fault of detail may be observed in the stables now under report, and which is productive of much injury to the horses and inconvenience to the service, namely, the pillars of the outer sides of the stables are not rounded, but left with very sharp edges, and these cut the horses; when passing out or in they rub against the pillars, or in kicking against the pillars the horses injure themselves severely.

No. 478. ORDER THEREON, 26th May 1871, No. 1,450.
