*Proceedings of the Madras Government, Public Works Department,  
29th May 1871.*

No. 485. Read the following Endorsement of the Marine Department, dated Fort Saint George, 12th May 1871:—

From the Master Attendant, Administrative Department, to the Acting Chief Secretary to Government, Marine Department, dated Madras, 9th May 1871, No. 2,758.

With reference to my letter to Government, dated 23rd March 1871, No. 2,002,

\* *Extract from paragraph 6.*

"I need only refer Government to paragraph 7 of my former report, and to state that since I visited Cochin last year the effects produced by the dismantling of groynes Nos. 8 and 9 have been still more disastrous."

Also paragraphs 11 and 12 of same letter, No. 2,002.

† From Master Attendant, Madras, to the Chief Secretary to Government, dated 18th January 1870, No. 234, paragraph 8.

From do. do. to do. do., dated 14th March 1870, No. 1,221, paragraph 7.

From do. do. to do. do., dated 31st January 1871, No. 766, paragraphs 27, 28, 29.

and the Order of Government thereon, No. 1,120, I have the honour to draw attention to paragraph 6 of that Report,\* in which it will be observed that groyne No. 8 is not the only exception to the general rule of success—far from it; and I need only respectfully refer Government to former reports specified in the margin.†

2. To repair the mischief done to these two groynes, Nos. 8 and 9, many thousand rupees must be expended; but that outlay will not restore the houses and numbers of cocoanut trees that have been swept away, nor relieve the unfortunate inhabitants at the Vypeen point, who have been ruined by the unwarrantable interference with works approved of and passed by the Pier Committee appointed by Government.

TRANSFERRED to the Public Works Department, with reference to the Order in that department dated the 21st April 1871, No. 1,120.

(Signed) W. HUDLESTON,  
*Acting Chief Secretary.*

No. 486. ORDER THEREON, 29th May 1871, No. 1,454.

CIVIL WORKS, No. 43.

ORDERED that this letter be communicated to the Superintending Engineer of the 7th Division in continuation

of G. O., No. 1,120, dated 21st April 1871.

(True Extract.)

Colonel, R.E.,  
*Secretary to Government.*

To the Acting Superintending Engineer, 7th Division.
