*Proceedings of the Madras Government, Public Works Department,
29th May 1871:*

No. 491. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 17th May 1871, No. 644 :—

I HAVE the honour to submit, for sanction of Government, two estimates, amounting to Rupees 3,130 each, for pulling down the old wooden verandahs and posts and erecting in their places

2 Estimates.

2 Specification Reports.

Bengal-roof verandahs with masonry pillars in front of north and south barracks at Mount, duly approved of by His Excellency the Commander-in-Chief.

2. I am of opinion that, from personal inspection, the proposed work is absolutely necessary, as the present verandah is in a tumble-down state and most disgraceful to look at, being propped up by old palmyrahs.

3. As no provision has been made in the current year's Budget for the two verandahs now estimated for, which amount in the aggregate to Rupees 6,260, I beg to recommend that funds may be granted for the execution of the work from the current year's Reserve under the head "Military."

No. 492.

ORDER THEREON, 29th May 1871, No. 1,457.

MILITARY WORKS, No. 12.

UNDER the circumstances represented the Government recognize the expediency of reconstructing the dilapidated wooden verandahs in front of north and south barracks at St. Thomas' Mount if funds are available, but they regret that the small Reserve under "Military" at their disposal precludes them from entertaining the present application.
