*Proceedings of the Madras Government, Public Works Department,
6th June 1871.*

No. 83. Read the following docket from the Government of India, Public Works Department, (Account—Railway,) dated Simla, 23rd May 1871, No. 325-A. R.:—

Copy of the following forwarded to the Secretary to the Government of Madras, Public Works Department, for information and guidance, in continuation of Public Works Department Resolution Nos. 49-54-A. R., dated 6th February 1871.

By order,
(Signed) C. A. DICKENS, Colonel, R. A.,
Secretary to the Government of India.

From the Government of India, Public Works Department, to the Secretary to the Government of Bombay, Public Works Department, dated 23rd May 1871, No. 324-A. R.

I AM directed to acknowledge the receipt of your letters Nos. 341 and 482, dated respectively the 27th March and 27th April, and, in reply, to state that the Governor-General in Council has no objection to the Bombay Government sanctioning, as a temporary measure, all indents for *local purchases* of stores required for Capital or Revenue purposes for the Guaranteed Railways in the Bombay Presidency. This permission, I am to remark, does not apply to indents on England, which I am to request may be sent forward to the Government of India, whether the stores indented for are required on Capital or Revenue Account. There should, I am to add, be no difficulty in foreseeing such wants in time to admit of the indents being submitted to and dealt with in this department.

2. A list of the sanctions accorded by the Bombay Government under the authority now given should be submitted monthly for the information of the Government of India, but the Governor-General in Council trusts that every endeavour will be made to furnish at an early date the data needful to the settlement of the question of the value of the normal stock required to be kept up for the regular working of the several Railways referred to in this Department Resolution Nos. 238-42-A. R., dated 25th March last, so that the relaxation of the previous orders now authorized may be quite temporary.
