ESTABLISHMENT, No. 14.

As it is observed that applications for leave are frequently submitted to Government direct instead of through the Controller of Public Works Accounts, to whom they must be transferred for report before being disposed of, His Excellency the Governor in Council resolves to draw attention to G. O., No. 1,996, dated 22nd July 1863, and to direct that the course therein prescribed be invariably followed in future. In all cases in which the rule may be neglected, applications will be returned.
