*Proceedings of the Madras Government, Public Works Department,
10th June 1871.*

No. 135. Read the following letter from the Officiating President of the Municipal Commission, Madras, to the Secretary to Government, Public Works Department, dated Madras, 31st May 1871, No. 42 :—

I HAVE the honour to bring to your notice that the three months' extension allowed to Soobroya Auchari in G. O., No. 681, dated 8th March 1871, for employment on the distribution works, will expire on the 8th proximo, and as his services just at this time—the delivery channel works being very near to completion—cannot be spared without much inconvenience, I should be glad if you will be good enough to sanction the retention of his services by the Municipality until the completion of the works, or until such time as he may be required for the Department Public Works.

No. 136. ORDER THEREON, 10th June 1871, No. 1,553.

ESTABLISHMENT, No. 17.

It appears by the letter printed with G. O., 8th March last, No. 681, that the works on which Soobroya Auchari were employed were expected to be finished in two or three months, and on that account his services were continued at the disposal of the Municipality for a further period of three months. His services are now urgently required in the Department Public Works and the Government regret they cannot spare them longer to the Municipality.
