*Proceedings of the Madras Government, Public Works Department,
12th June 1871.*

No. 150. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Public Works Department, dated Vythery, 30th May 1871, No. 271 :—

With reference to G. O., No. 1,435, dated 25th May 1871, I have the honour to state that the excess of Rupees 504, between the amount allotted in 1870-71 and estimated for in 1871-72, was due to my having included the pay of four lascars at 10½ Rupees; but subsequently to submitting the estimate, *i.e.*, in G. O., No. 1,299, dated 12th May 1871, this item was granted under head of Temporary Establishment.

2. On the other hand, also subsequently to the same date, a change (whether temporary or permanent I am not aware) has been made in the Medical subordinate, and a man of a higher class has relieved the former Hospital Assistant, by which an addition of Rupees 15 per month has been entailed; in cases also of all such relief I have to disburse travelling allowance, so that a small addition is required.

3. I take the opportunity of remarking, as I have already done in a letter through the Controller of Public Works Accounts, the unfairness of the Petty Establishment grant of the Vythery Range being saddled with all the pay and contingent charges of the Medical subordinate, when his services are also given to the Police and any other public servants who may require them on all occasions of judicial investigation in the neighbourhood requiring medical testimony, and to such casual cases amongst passing poor travellers as may be brought to him.

4. The item of Rupees 203 of Local Fund was inserted entirely erroneously, and should be expunged.

No. 151. ORDER THEREON, 12th June 1871, No. 1,560.

ESTABLISHMENT, No. 21.

ORDERED to be recorded with reference to G. O., No. 1,554, dated 10th June 1871.

that the excess of Rs 504 between the amount
allotted in 1870-71 and estimated for in 1871-72
was due to my having included the pay
of four Sarsars at 10² Rupees; but sub-
sequently to submitting the estimate i.e.

granted under head of Temporary Establish-
ment.

On the other hand also subse-
quently to the same date, a change (whether
temporary or permanent I am not aware)
has been made in the Medical Subordinate,

which an addition of Rs 15 per month has
been entailed; in cases also of all such
relief, I have to disburse travelling al-
lowance.

= loanance for that a final addition is re-
quired.

3. Make the opportunity of re-
marking, as I have already done in a
letter through the Controller of Public
Works & Accounts, the unfairness of the
Petty Establishment grant of the Sydney Road
being saddled with all the pay and contingent
charges of the Petitioner's Subordinate, when his
services are also given to the Police, and any
other Public servants who may require them,
on all occasions of judicial investigation
in the neighbourhood, requiring Judicial testi-
mony, and to such casual cases, amongst
passing poor travellers as may be
brought to him.

4. The item of Rupees 203 of
Local Fund was inserted entirely erro-
