*Proceedings of the Madras Government, Public Works Department,  
13th June 1871.*

No. 172. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Cochin, 22nd May 1871, No. 39:—

WITH reference to paragraph 4 of G. O., No. 1,299, of 12th May 1871, I have the honour to report that Overseer W. Hyde is in immediate charge of the Lawrence Asylum Works at Ootacamund, and Overseer A. Vedamootoo of the Harbour Works at Cochin; the establishments applied for are therefore absolutely necessary. On re-consideration, however, I would recommend that the establishment applied for for the Lawrence Asylum works be reduced from Rupees 51 to 29 as follows, namely:—

|                                   |     |

ADVERTING to paragraph 4 of Proceedings dated 12th May 1871, No. 1,299, in which the Government, alluding to the circumstance of there being no officers in special charge of the Lawrence Asylum and Cochin Harbour Works, called upon the Superintending Engineer of the 7th Division for explanation as to the

necessity for the temporary establishments\* applied for by him for those works, Lieutenant-Colonel Farewell now reports that, as Overseers W. Hyde and A. Vedamootoo are in immediate charge of the Lawrence Asylum and Cochin Works respectively, some establishments are absolutely necessary, but he suggests that the cost of the establishment required for the first named work, be reduced from Rupees 51 to Rupees 29.
