*Proceedings of the Madras Government, Public Works Department,
15th June 1871.*

No. 243. Read the following Endorsement of the Superintending Engineer, 2nd Division, dated Camp at Masulipatam, 1st May 1871, No. 12 :—

From Captain H. SMALLEY, R.E., Executive Engineer in charge, Eastern Delta Range, Kistna, to the Superintending Engineer, 2nd Division, dated Viswanadaputty, 28th April 1871, No. 67A.

I HAVE the honour to request you will forward this my application to be allowed to reconsider my election of the new Departmental Salary Rules, and to revert to the old rules. I make this application because my prospects of Military promotion have been increased since electing for the new rules by the augmentation of the corps of Royal Engineers, and by the likelihood, as stated in the papers, of the first Captains of the corps being made Majors. I have derived no pecuniary benefit from this effect of the new rules hitherto, and have, therefore, nothing to refund in the event of my application being favourably entertained.

FORWARDED for the favourable consideration of Government.

Superintending Engineer, 2nd Division.
