*Proceedings of the Madras Government, Public Works Department,
17th June 1871.*

No. 286. Read the following letter from Captain A. deC. SCOTT, R.E., Under Secretary to Government, Public Works Department, to the Secretary to Government, Public Works Department, dated Fort St. George, 2nd June 1871:—

HAVING assumed charge of the office of Under Secretary to Government on the 26th of April last, I considered myself entitled to the pay and allowances of a first-class Executive Engineer from that date; but the Controller declines to pass my claim, on the ground that my promotion to that grade was dated the 2nd of May.

2. I am under the impression that Government intended that the post of Under Secretary should carry with it the grade and emoluments of an Executive Engineer of the first class, and I beg, therefore, respectfully to request that you will submit, for the favourable consideration of Government, my application that my promotion should take effect, retrospectively, from the 26th April instead of the 2nd May, in order that I may be enabled to draw the increased rate of pay from the date on which I undertook the duties of the office.

No. 287. ORDER THEREON, 17th June 1871, No. 1,629.

ESTABLISHMENT, No. 34.

THE grading of Captain Scott, as an Executive Engineer of the 1st grade, will be considered to have effect from the 26th April 1871, the date on which he assumed charge of his duties as Under Secretary in this department.
