*Proceedings of the Madras Government, Public Works Department,
17th June 1871.*

No. 299. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th May 1871, No. 355 A—G:—

I AM directed to acknowledge the receipt of your docket, No. 1,182, dated 28th ultimo, forwarding copy of Proceedings of the Government of Madras regarding the appropriation of the charges for Establishment between Imperial and Provincial Funds, and, in reply, to observe that the orders issued on the subject are opposed to the declared intentions of the Government of India in paragraph 13 of Financial Department Resolution, No. 3,334, dated 14th December 1870, in which it is laid down that for the year 1871-72 the "Supreme Government will continue to provide establishment as heretofore, each Presidency or Province bearing only a share of the cost in the proportion which the estimated outlay upon works from Provincial Funds bears to the total estimated outlay upon works Imperial and Provincial Ordinary and Extraordinary in all India." This proportion cannot be ascertained until after the receipts of all Provincial Budget Estimates, but whatever it may be (whether in excess of, or less than, the Budget provision in the Provincial Estimates for Establishments,) the Madras Government will have to pay the amount from Provincial Funds. Any savings therefore in the total estimate for the Madras Establishment will have to be credited to the Imperial grant, while any excess will have to be borne by that grant.

2. On the amount to be given by Provincial Funds for Establishment being decided by the Government of India, the debit to these funds should be made monthly instead of at the end of the year, as decided by the Government of Madras. Precise instructions on this point will be issued hereafter.

No. 300. ORDER THEREON, 17th June 1871, No. 1,636.

ACCOUNT, No. 25.

COMMUNICATED to the Controller of Public Works Accounts, who will await the further instructions promised by the Government of India.
