*Proceedings of the Madras Government, Public Works Department,
17th June 1871.*

No. 301. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaisheram, 29th May 1871, No. 660:—

With reference to paragraph 4 of G. O. of the 12th instant, No. 1,300, I have the honour to observe that, to have an accurate report of traffic and to maintain the necessary water registers, it is of the utmost importance that an establishment should be kept up on account of the Chilka lake canal, on which a large number of boats ply, and which is the line of communication between Orissa and Ganjam.

2. With regard to the increase in the pay of the lascars attached to the minor establishment employed under Overseer Venkataratnum, I beg to invite attention to the order of Government quoted opposite that establishment in my statement embodied in the G. O. under reply, from which it will be seen that sanction of Government was accorded to two lascars at 7 Rupees each, and one writer on Rupees 15 per mensem for employment under Supervisor West. This establishment has been temporarily placed under Overseer Venkataratnum, who, having some heavy duties, cannot get through his work without the aid of an extra establishment.

3. With reference to paragraph 6 of the order under reply, I have to state that in my letter No. 115, dated 20th April 1871, and in the column of remarks in the statement embodied in the above G. O., the necessity for the entertainment of the temporary establishments alluded to has been stated, and that is the survey of the localities in which the tanks in the Ellore and Yernagudem Talooks are situated, and the preparation of detailed estimates for their improvement or otherwise.

No. 302. ORDER THEREON, 17th June 1871, No. 1,637.

ESTABLISHMENT, No. 35.

UNDER the explanations furnished by Major Fischer, the Controller of Public Works Accounts is authorized to pass the salary of the temporary establishments referred to therein and for which provision has been made in the statement embodied in G. O., dated 12th May 1871, No. 1,300.
