*Proceedings of the Madras Government, Public Works Department,
19th June 1871.*

No. 340. Read the following letter from the Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 17th June 1871, No. 271 —

I HAVE the honour to inform you that I have received telegrams from the Executive Engineer at the Presidency, Calcutta, requesting me to supply sand for the repairs of Government House, and to send up maistries and bricklayers, making them the necessary advances.

2. On applying to the Superintending Engineer, 4th Division, I learnt that, without the orders of Government, it would be impossible to meet this demand for funds.

3. I have the honour to request that the Government will be pleased to authorize the Superintending Engineer of the Division to make the necessary advances to meet the requirements of the Executive Engineer at Calcutta.

4. At present Rupees 500 would fully cover all demands, and as the steamer by which the maistries would sail leaves on Tuesday, I venture to request that early sanction may be granted.

No. 341. ORDER THEREON, 19th June 1871, No. 1,653.

RAILWAY, No. 43.

THE advance of Rupees 500 is sanctioned, and the Controller will arrange for adjusting the charge.
