*Proceedings of the Madras Government, Public Works Department,
20th June 1871.*

No. 346. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Combatore, 10th June 1871, No. 50 —

SOME months ago I understood that a G O. was to be published giving dimensions, weight, and price of iron girders of different descriptions that could be constructed in the Public Works Workshops at Madras. As the paper in question has not reached me, and I have, daily expecting to receive it, withheld submitting plans and estimates for several bridges in Malabar emergently required, I request you will be so good as to direct the General Superintendent of the Public Works Workshops at Madras to hasten the despatch of the paper noted, in order that I may furnish the plans and estimates referred to without further delay.

No. 347. ORDER THEREON, 20th June 1871, No. 1,656.

CIVIL WORKS, No. 17.

COMMUNICATED to the General Superintendent of Public Works Stores and Workshops, who will report when the schedule of prices referred to in G. O., No. 832, dated 21st March 1871, will be ready for circulation.
