I HAVE to request a transfer of Rupees 1,600 from the maintenance grant of the southern trunk road to the western trunk road. The necessity of this transfer is caused by the serious damages done during the late rains having taken up all the maintenance grant of the western trunk road for repair. It is still in a bad state in many parts, and no funds remain to go on with repairs. There is a balance on the southern road of Rupees 5,000, while on the western only remains Rupees 2,000.
