Proceedings of the Madras Government, Public Works Department, 23rd June 1871.

No. 417 Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 5th June 1871, No. 730 —

With reference to the promotion* of Sub-Conductor Joyce, attached to the Government Workshop, Dowlaishweram, to the grade of Conductor, I have the honour to bring to the notice of Government that the Military pay of this subordinate, which has been hitherto met from the earnings of the shop, has been a great strain on the funds set aside for the self-support of the institution, and as by his promotion an additional charge will have to be met from those funds, I beg to solicit the orders of Government for Conductor Joyce's Military pay being drawn separately and paid for from the Military Budget as other Military subordinates are now.

* *Vide Fort Saint George Gazette* of 23rd May 1871, page 766

No. 418. Order thereon, 23rd June 1871, No. 1,693.

ESTABLISHMENT, No. 52.

The Military pay of the Warrant and Non-Commissioned Officers of the Public Works Department is not, as supposed by the Superintending Engineer of the 1st Division, debited to the Military Budget, but met from a specific grant provided for the purpose in the Public Works Budget.

2. It has been ascertained that, prior to his promotion, Conductor Joyce drew under the old rules Rupees 106-1-4 as a Sub-Conductor, and as the salary of a Conductor has been fixed by the Regulations of February 1868 (see G O, No 585, dated 20th February 1868) at Rupees 100, he will not, it is presumed, by his promotion derive any pecuniary advantage, and the workshop will not therefore be required to bear a heavier charge on that account than hitherto.
