*Proceedings of the Madras Government, Public Works Department,
23rd June 1871.*

Read the following letters.—

No. 428. From W. G. McIVOR, Esq., Superintendent of Government Cinchona Plantations, to the Acting Chief Engineer for Irrigation, dated Ootacamund, 10th May 1871, No. 25.

I MADE application to the Government on the 21st January last for a further grant of 500 Rupees for the formation of the escapement at the Poorthy bund, which was sanctioned in the Order of Government under date 8th March 1871, No. 680.

2. On the 22nd of March I applied to Captain Morant for the amount, but in consequence of that officer having insufficient funds, I did not receive the amount until the 2nd instant.

3 The payment to me of the Rupees 500 having been made in the current official year, I have to request the favour of Government being pleased to accord sanction to the same.

No 429 From the Acting Superintending Engineer, 7th Division, to the Chief Engineer for Irrigation, dated Coimbatore, 6th June 1871, No 46.

With reference to your memorandum No 123, of 23rd May, I have the honour to forward, for your information, copy of a letter No 100, dated 3rd June 1871, from Captain Morant, explaining the circumstances under which he failed to pay the sum of Rupees 500, sanctioned in G O., No 680, dated 8th March 1871, to Mr. McIvor in March. One copy of the G O., which Captain Morant notes he received on the 28th March, was posted to his address from my office at Coimbatore on the 11th March, and ought to have reached Ootacamund on the 12th; as Mr. McIvor was much in want of the money, he appears to have paid it in May from other funds at his disposal. This was irregular on his part, and I was not aware of his proceeding till the receipt of his letter enclosed, but I trust that an allotment may be made to cover the expenditure.

From Captain J L L. MORANT, R E., Executive Engineer, Neilgherries, to the Acting Superintending Engineer, 7th Division, dated Ootacamund, 3rd June 1871, No. 100

With reference to the enclosed correspondence, I have the honour to report that I did not receive the G O No. 680, of the 8th March 1871, till the 28th idem, and consequently I had no time to apply for funds.

2. When Mr McIvor asked me for the money on the 22nd idem, I had no money available, or I would have paid it to him in anticipation of sanction

3 On Mr McIvor subsequently informing me that he was much inconvenienced for want of the money, I paid it to him on his promising to apply to Government for sanction, etc.
