Grounds of Proposition 1

Consequent on the heavy demands which have been made against the grant for Repairs Military at Bangalore, not only for ordinary and special repairs to the Military Buildings at that Station but also on account of numerous claims for house rent for Medical and Military subordinates for the current & previous years, the funds provided under this head of Service are found to be insufficient, even after being supplemented by a sum of Rs 6000 included in the Sanction accorded by the Govt of India in their telegram of the 5th October 1870 — and it has become necessary to make a further allotment of the estimated amount of Rs 6590 by the transfer recommended in the accompanying Statement.

Under the circumstances explained the early Sanction of the Govt of India is requested.
